

25th Anniversary Gala Performances

“Let’s Dance” Celebration

June 3, 2017 at 2:00pm
Alex Theatre in Glendale, CA

Each year, Los Angeles Ballet Academy presents an annual spring performance featuring three different productions to highlight each division of our academy. This year, we are celebrating our 25th anniversary with gala-style performances. All students in our Intro to Dance, Pre Ballet/Tap, Pre Jazz/Tap, Pre Primary Ballet, and Primary Ballet classes are invited to participate in the “Let’s Dance” **Celebration** show on Saturday, June 3 at 2:00pm. Review the information below for details on how to sign up, what is involved, important dates, and other requirements.

CONSIDERATION FOR DANCERS: We plan in a special way for the care and supervision of our littlest dancers. In addition to the teachers, the children will have 2 parents per group as well as a LABA teaching assistant or team member to help with supervision, costume changes, and getting on/off stage. Since the number of people permitted backstage is strictly limited by the Alex Theatre and the fire code, parents must be able to leave their dancers backstage for the dress rehearsal and performance. If your child cannot stay without you, please do not sign them up. For security and occupancy reasons, no one without a pass will be permitted backstage. Anyone who cannot follow Studio or Theatre rules will be asked to withdraw without a refund.

SIGNING UP & FEES: Attached is a sign-up form for the “Let’s Dance” performance. Please see the Front Desk to help you with taking measurements for your child’s costume and to complete the registration form. The performance fee covers far more than just your child’s participation in this performance. This fee contributes to costs for lighting and sound design, stage crew, backstage crew and supervision, prop and set supplies, security, additional choreography, staging, and preparation time outside of regular instructional time. Each class performs a unique routine and a costume will be ordered for each student in that routine. You will pay a costume fee for each costume your child will need. Each dancer must provide his/her own tights, shoes, makeup, personal items, and snacks. Costume and performance fees are **NON-REFUNDABLE**. Ticket prices cover the cost of the use of the theatre and theatre staff for the week of rehearsals and performances.

EXTRA REHEARSALS: While we keep the extra rehearsals to a minimum for the “Let’s Dance” show, attendance is **MANDATORY** for any extra rehearsals scheduled for your child. There will be a run-thru rehearsal at the Studio on **Wednesday, May 31** (time TBD). There will also be a tech rehearsal at the Theatre on the morning of the performance, Saturday, June 3 (time TBD). This is when students practice on stage and lighting and sound cues are set. Attendance at both of these rehearsals and the performance is **MANDATORY** for all participating students.

TICKETS: This year LABA families will be able to purchase discounted tickets directly from the Alex Theatre, by phone or online, before they go on sale to the general public. ***You will be able to select your own seats for each of the performances.*** Order early for the best seats! NO ONE will be permitted in the theater without a ticket. (Children under 2 can sit on laps.)

SHOW PACKETS: In the spring, every student will receive a complete packet with all the important information for the recital regarding extra rehearsals, performance call times, costume/hair notes, picture day, theatre rules, volunteer needs, etc. This packet will also include information regarding the silent auction, purchasing DVDs, ordering flowers, and much more!

PICTURE DAY: LABA will be offering Picture Days at the studio for the spring performances. Students will be in costume and take an individual shot as well as a group shot with their class. Parents will have the opportunity to purchase pictures that same day at the studio. Pictures days are scheduled for **Saturday, May 6 and Sunday, May 7**. A detailed schedule of your child’s exact day and time(s) will be in the Production Packet distributed in the spring.

Entry deadline is December 16.

Late sign ups may or may not be allowed and will incur a \$25 late fee.
