

THE CONSERVATORY

LA Ballet Conservatory is a program devoted to providing young dancers the exposure, training, and performance opportunities needed to bridge the gap between student and professional careers. As LA educators, we have found the necessity to create a program that will provide opportunity for elite dance students who are homeschooled and not ready to leave home, but aspire to attend a major ballet school, traineeship, or studio company in the future.

The rigorous program is held 3 times per week. Tuesdays, Thursdays, and Fridays from 10am - 2pm.

The Curriculum:

**Classical Ballet Technique, Pointe Work, Men's Technique, Variations, Contemporary, Pas de Deux, Conditioning, Master Classes and Guest Master Teachers
& More**

We ask that all students commit to a minimum of 3 days (10.5 hours) per week for best results.
